Krista Brockman

I got married over a year ago now on May 19, 2007 to Steve Price. So, I am now Mrs. Krista Price. I live in Charleston, IL where I pastor a small church east of Eastern IL Univ. campus. I am not currently in any group singing, as my church and spending time with my husband, his son and our families is taking all of our time. So, I hope this helps you catch up on me, formerly Rev. Krista Brockman, now Rev. Krista Price. My address is 734 22nd St. Charelston, IL 61920, phone is 217-345-2046 and email: bnwalk2@yahoo.com Have a great summer. Krista (former alto)

The last five years have found me taking on a new leadership role at my church, New Castle Bible Church. Upon leaving PACC, I became the music coordinator of my church. This position has involved coordinating Sunday morning worship services, lead a women's ensemble group called Potter's Clay, direct the adult choir, involved in the planning of our special services, events and holiday services, and I am one of the church's piano accompanists. My ministry work is in addition to my full-time position at Snyder Village as Payroll Specialist with Human Resource duties. My husband Joel is still a contractor with FedEx resulting in my continued status of "FedEx widow" during the holiday season. I miss singing in PACC and have such fond memories of the time I was a singing member.

My favorite PACC memory is our singing "Hallelujah Chorus". The audience's response always moved me, and I had to pinch myself because I couldn't believe I was actually singing a favorite piece of music with such an outstanding chorale. Through the years, I have heard many chorale groups sing "Hallelujah Chorus", and I still believe PACC sings it best.

Nowadays I am very busy with Scott Leman Autos, my hobby and passion. It is rewarding to have my own business and to have my son working with me every day. It has been a lot of fun and a lot of work, and it is going well. I now have a 2 year old grandson.....what a joy! He is learning so much and it is fun to watch him grow.

Favorite PACC memory: It is hard to pick a favorite.....I do remember the indescribable feeling of accomplishment when my first show was over and the audience showed us how much they enjoyed it. It has been that way with every show since. But most of all, I remember the bond that we all had, once-a-week friends with a flair for singing and fellowship.
